Dear Mr. Biancanillo:

On behalf of the Niagara Food Festival Committee, we would like to thank Redboss Pyrotechnicians for your time and commitment towards the 2001 Niagara Food Festival.

The Niagara Food Festival was held on Merritt Island on the weekend of September 29<sup>th</sup> and 30<sup>th</sup>, 2001. The event was again an outstanding success, drawing in tens of thousands of people, who ate and drank. They were lured to the Niagara Food Festival because of the selection of food, the variety of wine, the outstanding entertainment and the beauty of Merritt Island.

This was successfully accomplished with the help of community partners such as your organization and the many local volunteers.

Thanks again for your involvement. We look forward to working with you in the future and appreciate you continued support.

Sincerely
