To Whom It May Concern:

Regarding Michael Biancaniello and RedBoss Pyrotechnicians Inc. it gives me great pleasure to recommend their absolutely amazing fireworks display.

From the get go Mike was great to work with. I am proud to say the city of St. Catharines witnessed the best Fireworks Show they had ever seen on Stompers Fan Appreciation Day. (August 30, 1999).

The Niagara Region's only Professional Sports Team worked with a very professional company in RedBoss Pyrotechnicians Inc. Awesome is the only way to put it!
