Dear Michael:

On behalf of the Bronte BIA and a crowd of over 40,000 people that flowed into Bronte's Heritage Waterfront Park, we wish to thank Redboss Pyrotechnicians Inc. for an outstanding Canada Day fireworks display launched from the McKeil Marine barge at 10pm July 1st. off Bronte Pier in southwest Oakville

The oohs and ahhs from thousands confirmed that it was a spectacular finale to the biggest and best Canada Day ever in Bronte.

We appreciate your professionalism as a company, and your artistry in presentation of a wonderful show.

We thank you and your whole team and the McKeil Marine barge crew.

Sincerely,

AKK
